Dear Glen Patterson:

We would like to commend you and your staff for a successful conversion and a job well done.

As you will recall, we were in need of an upgraded telephone system. After our discussion, we realized the benefits we would receive from your telephone system. We believe we made a good choice by installing the Iwatsu Product.

Your staff did an excellent job preparing and installing the telephone conversion. The personal visits and attention you gave us were well received. We also appreciated the clean-up of all the old telephone wiring, which was left from previous installations.

We are pleased with the system and the experience we received from your company.

Sincerely,
