SOLUTION PROVIDER LETTER OF AGENCY

To AT&T:

We hereby authorize **Verge Network Solutions, Inc., 12308 Hidden Forest Blvd., Oklahoma City, OK 73142**, (*Solution Provider ("SP") name*) to act as our representative in dealings between us and the subsidiaries of AT&T Inc. ("AT&T") in connection with the provision of telecommunications, data, information, hosting, wireless and other services. This authorization includes, but is not limited to, the ability to negotiate and order services on our behalf, as well as the ability to obtain our customer proprietary network information. Without limiting the foregoing, this authorization specifically includes negotiating, ordering and obtaining information pertaining to services provided at:

(*insert customer address(es)*) and BTN, WTN, MCN, or Tie codes)

(*List all billing numbers, attach separate document if needed*), as well as such other additional numbers and addresses that may be added from time to time.

We accept full responsibility for all orders placed by our authorized Solution Provider, to AT&T, on our behalf. We understand that this authorization will remain in full force and effect until we rescind and/or cancel it by providing written notice to AT&T. We further understand that, until AT&T actually receives such rescission and/or cancellation, AT&T may rely upon this authorization for any and all purposes. This authorization does not prevent us from acting on our own behalf at our discretion.
